

MAR CHESHVAN

Jewish calendar months are either 29 or 30 days in length. Most months follow a fixed schedule, so that Nisan is 30 days, Iyar—29 days, Sivan—30 days, and so on; however, both Mar Cheshvan and Kislev are variable months. When Mar Cheshvan is 29 days (following an always 30 day Tishri), Kislev can be either 29 or 30 days. This year Mar Cheshvan has 29 days and Kislev has 30 days. This follows the standard cycle and therefore this year is called “K’sidran” — “according to the ordinary cycle.”

OUR NEW LOGO!

We are pleased to unveil our Synagogue Logo. The Logo was designed by local artist and Fuchs Mizrahi Teacher Micol Bayer, taking into consideration the Shul's history and personality.

There are two paths representing different generations that come together and intertwine to create the pillar of strength that supports the menorah, our Shul. The three branches and shaded regions of the Menorah represent our Shul's commitment to:

1. Torah
2. Ahavat Yisrael
3. Medinat Yisrael

The flame represents a Ner Tamid dedicated to the founders of our Shul and to all of the Jews who perished in the Holocaust.

We hope and pray that Hashem grants us the ability to continue their legacy for many years to come.
