HACHODESH SHEVAT 5766

SHEVAT

Tu B'Shevat, or Chamishah Asar B'Shevat, literally means "the 15th of Shevat." It falls this year on Monday, February 13th. It represented the demarcation point during the period of the Temple in which a portion of the fruit trees of each separate year had to be given as T'rumah to the Kohen, ten percent to the Levite, and pertained to other Mitzvot as well.

It is customary to eat the fruit of Eretz Yisrael on this day. Chamishah Asar B' Shevat thus ties us to our homeland and reminds us of the beauty and creative power of the land that the creator gave us.

With the rise of the Zionist movement, and the work of the Jewish National Fund in the reforestation of the Land of Israel, this day has become the occasion of tree planting in Israel. Participation in the reclaiming of Eretz Yisrael is a great Mitzvah in which all Jews must take part, especially in these times of increased Arab terrorism and increased delegitimization of Israel.

PARSHAT SHEKALIM

Each year there are four Shabbats on which a second Torah is taken out of the Ark and read after the Parshat HaShavua. These occur in proximity to Purim and Pesach. The first is Parshat Shekalim and it is read on the Shabbat Mevarchim HaChodesh Adar. In Temple times, the poll tax for the Temple service was collected in Adar and the Parshat Shekalim reading announces the Mitzvah to collect this tax.
