החודש חשוון תשס"ח

FROM OUR RABBI...

MAR HESHVAN

This year 5768 is a leap year in the Jewish calendar. This means that an extra month will be added to the calendar - Adar HaSheni. It is also a Sh'mitta year or a Sabattical year. In Israel, this means that the agricultural land is supposed to lie fallow. Many farms in Israel observe this total stricture. However, with the beginnings of modern Jewish settlement in Eretz Yisrael in the 1880's the early settlements faced a dilemma on the Sh'mitta year. Full observance would almost certainly have jettisoned the entire national enterprise in the land. Representatives of the Jerusalem rabbinate visited the settlements forewarning the farmers of the requirement of leaving the land fallow. The farmers appealed to Gedolei HaTorah in Czarist Russia for advice. Led by such luminaries as Rav Sh'muel Mohilever and Rav Yitshak Elhanan Spector, a dispensation to sell the land to a non-Jew was devised to allow agricultural work to continue. Interestingly, the settlement of Petah Tikvah observed the Sh'mitta strictures and survived the year on Tsedaka. The Heter Mekhira was soon institutionalized for the bulk of the settlements and was later endorsed by Rav Kook after the creation of the Chief Rabbinate after World War I.

JUST TO SAY THANK YOU...

We had a wonderful High Holy Day Season this year and would like to thank everyone who helped make this year's tefilot so successful and meaningful.

With special thanks to all of our members who helped out, we had three full minyanim, including the Main Sanctuary, Perl Hall, and a Sephardic/Israeli Minyan in Anna Simon Hall. We were also fortunate to have excellent babysitting services for the High Holy Days.

The help continued in the building and take down of our Succah, as well as the wonderful Simchat Torah lunch that we hosted for over 300 people.

We thank you again, and pray for a very healthy and happy new year for everyone at Green Road Synagogue, the overall Jewish Community and Kol Am Yisrael.

Green Road Synagogue*

SHABBAT GROUPS...

Our new Youth Director, Rabbi Nevo Zuckerman, has been fine tuning our wonderful Shabbat groups and we ask that you have your children attend groups instead of attending the hallways. This is a great opportunity for them to grow together in a Shul environment tailored to their ages, and we hope they will take full advantage of it.
