FROM OUR RABBI...

ROSH CHODESH TEVET AND ZOT CHANUKAH

The festival of Chanukah straddles the Hebrew months of Kislev and Tevet. This means that Rosh Chodesh Tevet always occurs on Chanukah. When Rosh Chodesh Tevet falls on a weekday, we take two Sifrei Torah out of the Ark. From the first Torah, three Aliyot are taken from Parshat Pincas where the Torah speaks about the daily, Shabbat & Rosh Chodesh sacrificial offerings. From the second Torah we read from the end of Parshat Naso which talks of the dedicatory offerings of each of the twelve tribal leaders of Israel. Since this year Rosh Chodesh falls on the sixth day of Chanukah, we read about the dedicatory offering of the sixth tribal leader, Eliasaf Ben D'uel of the tribe of Gad.

On the eighth day of Chanukah we read about the dedicatory offerings of the last 5 tribal leaders which is summed up in the words

"וזאת תנובת המזבח אחר הטיחה אותו."

"This is the dedication of the altar after it was consecrated."

The Torah reading continues into Parshat Behalotcha where the Torah speaks about the laws of the Menorah.

FAST OF TEVET

Tevet is the Hebrew month which occurs in the height of the winter season. On the tenth of Tevet we observe a fast lasting from dawn until dusk. This is one of the four fasts commemorating the destruction of the Temple. On this day the Babylonians laid siege to Jerusalem and the result of that siege was the destruction of the Temple on the ninth day of Av, 586 B.C.E.

After the Second World War, the Chief Rabbinate in Israel declared this day to be a perpetual memorial to the victims of the Holocaust.

The prophets tell us that when the Messiah comes these mournful days will become days of gladness and joy. May we witness that time speedily in our own days. The tenth of Tevet falls on Wednesday, December 19th.
